"مقدمه"

فهرست کتابشناسی های ادواری موجود در کتابخانه مرکز مدارک علمی شامل چکیده ها، کتابشناسی ها و مقاله نامه های ادواری در سه قسمت تنظیم شده است:

۱. در قسمت اول کلیه عنوانها اعم از اینکه بصورت جاری دریافت می شوند و یا انتشارشان قطع شده است به ترتیب الفبا منظم شده اند. نشریاتی که انتشارشان قطع شده و دیگر منتشر نمی شوند با کلمه (Ceased) و نشریاتی که احتمال می رود در آینده دوباره منتشر شوند با کلمه (Discontinued) در داخل پرانتز جلوی عنوان مشخص شده اند. چون هدف از تهیه فهرست حاضر آشنائی متخصصین موضوعی با عنوانهای ایمن نوع نشریات ادواری بوده است لذا فقط به ذکر عنوان و محل انتشار اکتفا شده است.

هر عنوان بایک شماره مسلسل مشخص شده است و در صورتیکه عنوانی به چند عنوان جدید تقسیم شده باشد، فقط عنوانهای تازه دارای شماره مسلسل هستند و عنوان اول فقط بخاطر ارجاع و بدون شماره مسلسل در فهرست ذکر شده است. ضمناً چون در کنترل نهائی عنوانهای شماره ۳۵، ۴۲، ۳۹۱ از فهرست حذف شده اند لذا در قسمت های دوم و سوم به این شماره ها ارجاع داده نشده است.

ضمیمه های نشریاتی که عنوان مستقلی دارند نشریه مستقل تلقی شده اند و فقط کلمه (Supplement) در داخل پرانتز جلوی آنها ذکر شده است. در مورد نشریاتی که ضمیمه های آنها عنوان جداگانه ندارند

فقط کلمه (+Supplement) در داخل پرانتز در جلوی عنوان اصلی
قید می‌گردد. • بطور کلی هر اطلاع اضافی مربوط به عنوان چون: عنوان
قبلی، قطع انتشار، عنوان ضمیمه، حروف اختصاری عنوان و مانند آنها
در داخل پرانتز در جلوی عنوان ذکر می‌گردد.

وقتی عنوان نشریه به دو یا چند زبان در روی جلد ذکر شده
است، هر عنوان با علامت / از دیگری جدا شده است.

۲. در قسمت دوم فهرست موضوعی عنوانهای قسمت اول قرار
دارد که به ترتیب الفبائی مرتب گردیده است و به شماره یا شماره های
مسلسل عنوان یا عنوان های قسمت اول ارجاع داده شده است.

۳. در قسمت سوم همین موضوعات تحت چند سرعنوان کللی
رده بندی شده اند و سپس زیر هر سرعنوان کلی موضوعات وابسته به آن
به ترتیب حروف الفبا قرار گرفته اند. • در این قسمت هم به شماره یا
شماره های مسلسل عنوان یا عنوان های قسمت اول ارجاع داده شده
است.
